be his duty, to condemn the same and to order the same removed from the city, or to destroy it or by the use of chemicals to render it unsalable.

SEC. 24. That sections 6 to 18, both inclusive, of article 4 of ordinance 499 be, and the same are hereby, repealed.

SEC. 25. Any person who shall violate any of the provisions of this ordinance shall, upon conviction thereof, be punished by a fine in any sum not exceeding \$100 or by imprisonment in the city jail of the city of Tulsa for not exceeding 90 days, or by both such fine and imprisonment.

Violation of any of the provisions, rules, or regulations contained in this ordinance by any person to whom a license has been issued under the provisions of the same shall, in addition to the other penalties prescribed by this ordinance, authorize the suspension or revocation of such license.

If either the superintendent of health or the milk and food inspector shall have personal knowledge of any such violation by any such licensee, he may, after notice to such licensee to correct such violation, and his failure to so do, suspend the license of such licensee, in which case he shall either file a complaint against such licensee in the municipal court or report his action to the board of commissioners, and said board, after giving said licensee notice and an opportunity to be heard, may revoke such license, which shall not be reinstated until the cause of such suspension or revocation has been removed.

Milk and Milk Products—Sale of—Tuberculin Test of Dairy Cattle—Inspection of Pasteurization Plants. (Ord. 1404, July 17, 1915.)

SECTION 1. That all cows from which milk is furnished or sold within the city of Tulsa, Okla., and all bulls allowed to run with said cows, are hereby required to be tested for tuberculosis by what is known as "intradermal tuberculin test," and shown by such test to be free from disease. Such tuberculin test shall be applied to all such animals annually, and all animals so tested which by reacting from such test are shown to be infected with tuberculosis shall be immediately excluded from the premises where milk cows and other cattle required by this ordinance to be tested for tuberculosis are kept, and such premises shall then be disinfected in such manner as shall be prescribed by the milk and food inspector of the city of Tulsa.

SEC. 2. The tuberculin test required by section 1 of this ordinance must be made by a registered graduate veterinarian, licensed to practice in the State of Oklahoma: *Provided*, That if any animal has been tested for tuberculosis in the manner required by this ordinance, under and in accordance with the regulations prescribed by authority of the United States Government, or of any State in the Union, such test shall be accepted in lieu of the test required by this section, provided the same be certified to in substantial compliance with the provisions of this ordinance.

For the purpose of identification, all animals shall be tagged, when tested, with an indestructible tag, which shall thereafter be kept on such animal and shall bear an identification number, together with the date of the test and the initials of the veterinarian making the same.

The veterinarian making such test shall certify the result of the same upon blanks provided for that purpose by the superintendent of health of the city of Tulsa, and such certificates shall be filed with said superintendent of health.

SEC. 3. It shall be the duty of any person or corporation desiring to operate a plant for the pasteurization of milk or cream intended to be sold or used within the city of Tulsa to make application in writing to the superintendent of health for the inspection of such plant; such plant and the operation thereof shall then be inspected by the milk and food inspector, and if the equipment and operation thereof is proper and sufficient for the purpose of thoroughly pasteurizing milk and cream, and if such plant, the premises where located, and the operation thereof are in compliance with

the provisions of this and other ordinances of the city of Tulsa regulating the erection, equipment, and operation of such plants, then the milk and food inspector shall issue to such applicant a certificate of inspection, which certificate shall authorize such applicant to operate such plant for the period of one year, subject, however, to the provisions of this ordinance.

SEC. 4. The premises where any pasteurization plant required to be inspected under the provisions of this ordinance is located, and all the equipment used therein, shall be kept clean and in a sanitary condition and shall always be equipped and operated in such a manner as to thoroughly pasteurize the milk and cream subjected to treatment therein. Every pasteurizing machine used in such plant shall be equipped with an automatic recording thermometer of the disk type, and no such machine shall be used or operated unless such thermometer is in good order and in use thereon. The disks used in operating such thermometers shall be kept on file for the inspection of the milk and food inspector.

The superintendent of health and the milk and food inspector of the city of Tulsa shall have access to such pasteurization plant at any time when the same is in operation for the purpose of inspecting the same. If such access is refused, or if the equipment or operation of such plant or the premises where the same is operated shall at any time fail to comply with the provisions of this or any other ordinances of the city of Tulsa regulating the same, the certificate of inspection under which such plant is operated shall at once be revoked by the milk and food inspector.

It shall be the duty of the milk and food inspector to inspect all pasteurization plants to which certificates of inspection are issued under the provisions of this ordinance at least once in each 30 days after the issuance of the same.

SEC. 5. A fee of \$10 shall be charged by the city for inspecting for one year each pasteurization plant required to be inspected under the provisions of this ordinance, and such fee must be paid to the superintendent of health before the issuance of the certificate of inspection: *Provided*, That no fee shall be charged for the inspection of any pasteurization plant operated by any milk vendor or ice-cream manufacturer while conducting his business as such under a license issued by the city of Tulsa.

SEC. 6. It shall be unlawful for any person, either as principal, employee, agent, or in any other capacity, to sell or otherwise furnish to any person within the city of Tulsa (except such person be a member of his immediate family) any cows' milk (or any cream, ice cream, skimmed milk, buttermilk, or sour milk derived or produced therefrom), or to have the same in his possession within said city for the purpose of so furnishing or selling the same, unless the cow or cows from which such milk and every part thereof has been drawn, and all bulls running with such cows, have been tested and certified to be free from tuberculosis, as provided by this ordinance, and the owner or keeper of such cow or cows and other animals has complied with each and all of the other provisions of this ordinance: *Provided*, That the provisions of this section shall not apply to the sale or otherwise furnishing of milk or cream, skimmed milk, buttermilk, or sour milk derived or produced therefrom which is otherwise wholesome and has been thoroughly pasteurized by a pasteurization plant for which a certificate of inspection has been issued and is in force under the provisions of this ordinance.

SEC. 7. Any person who shall violate any of the provisions of section 4 of this ordinance shall, upon conviction thereof, be punished by a fine in any sum not exceeding \$100 or by imprisonment in the city jail of the city of Tulsa for not more than 90 days, or by both such fine and imprisonment.

SEC. 8. That ordinance No. 1140 of the city of Tulsa, Okla., be and the same is hereby repealed, and any and all other ordinances or parts of ordinances of said city in conflict with the provisions of this ordinance be and the same are, in so far as such conflict exists, hereby repealed.
